

Hey Parents! It's that time of the year that we all look forward to . . . . pumpkin season!!! Your child will be coming out to RiverView Mounds Century Farm very soon. In order for your child to have the best experience possible we ask that you keep a few things in mind:

- Clothing - allow your child to wear clothes that can get dirty. Long pants are best - they will protect little knees from getting scraped in case of falls.
- Shoes - should be close toed to prevent falls & protect toes. (Crocs are discouraged due to uneven terrain.)
- Weather - check the weather the day before your field trip. If it looks like rain, we will reschedule your class for a later date. Please send a jacket if it looks like it may be cool.
- Allergies - if your child has allergies or asthma - please plan accordingly. There will be animals, dust, grass, hay, straw, corn and possibly a bee or two.

Your child will return home with a free return ticket. If you are unable to attend your child's field trip with them, please make plans to come out on a weekend or during the week of Fall Break (15<sup>th</sup> & 16<sup>th</sup>) so that your child may share all that they learned with you! You can find out more by visiting us on the internet:
